EDUCATION

Northwestern University

B.A. in Economics and Mathematical Methods, expected June 2026

Relevant coursework: microeconomics, econometrics, statistics, decision analysis.

Singapore American School

High School Diploma, May 2022

EXPERIENCE

Strategy Intern, GreenBridge Mobility

June 2025 - August 2025

Analyzed customer survey responses and operational data for an electric vehicle charging startup evaluating city expansion options.

Built Excel summaries comparing charger utilization across locations and customer segments to clarify demand patterns.

Helped prepare a market-entry memo for two Southeast Asia cities, linking customer needs, competitor presence, and operating constraints.

Consulting Club Project Lead, Northwestern University

January 2025 - May 2025

Led a student team advising a campus nonprofit on volunteer retention and event operations.

Interviewed student volunteers and summarized onboarding friction points into recommendations for scheduling and communication.

PROJECTS

Retail Expansion Case Competition

Built a market-sizing model and competitor map for a specialty retailer evaluating Midwest expansion.

Presented a recommendation to alumni consultants with supporting assumptions, risks, and implementation steps.

SKILLS

Analysis: market sizing, survey analysis, competitor research, structured problem solving.

Tools: Excel, PowerPoint, Python, Stata.

Languages: Mandarin Chinese, English.
