

Daniel Liu

daniel.liu@example.com | Philadelphia, PA | [linkedin.com/in/danielliu](https://www.linkedin.com/in/danielliu)

EDUCATION

University of Pennsylvania

B.A. in Economics, Minor in Statistics, expected May 2026

Relevant coursework: corporate finance, accounting, econometrics, statistics.

Shanghai High School International Division

International Baccalaureate Diploma, May 2022

EXPERIENCE

Investment Research Intern, Meridian Capital Advisors

June 2025 - August 2025

Built comparable-company tables for consumer and technology companies using public filings, equity research, and market data.

Drafted industry research notes on revenue drivers, margin trends, and competitive positioning for analyst review.

Updated valuation assumptions in Excel models and checked links, formulas, and source consistency under analyst supervision.

Student Investment Fund Analyst, University of Pennsylvania

September 2024 - Present

Researched public equities in consumer and internet sectors for a student-managed investment fund.

Presented investment theses, valuation considerations, and risk factors during weekly team meetings.

PROJECTS

Equity Valuation Case Study

Created a DCF model for a listed software company using revenue scenarios, margin assumptions, and terminal value sensitivity.

Compared implied valuation ranges with trading comps and transaction comps to assess relative pricing.

SKILLS

Finance: valuation, comparable companies, DCF, accounting fundamentals, industry research.

Tools: Excel, PowerPoint, Python, SQL.

Languages: Mandarin Chinese, English.
